- Creation of cross platform end to end automation framework for testing VOIP based products

LIFE PHILOSOPHY

“Change is inevitable but being prepared for it is a choice!”

WHY ME ?

Keeping up

As a tech enthusiast I am always excited about the upcoming changes and innovations, hence I always keep an eye on current trends in the industry and adapt to the most efficient solution/method/product

Team Player

I consider being a team player to be one of my greatest strengths, in my professional career I have worked and managed a diverse team spread across physically distant locations. My CTF team is also spread across the world and we work together to solve challenges

Extra Curricular

Apart from my office related tasks, I also indulge in various extracurricular activities such as, CTF competitions, OWASP/Security meetups, hackathons.

Open Source & Mentoring

When I find an interesting new technology with better features, I try to utilize it in my workflow. If I find a bug or an interesting idea for a feature, I would contribute to the project with a PR. The open-source tools/POC/Writups I code can be found at my GitHub repositories. I also mentor and guide colleagues and non co-working individuals to learn and discuss technology

Recognition in Workplace

- Won The Club Stellar “Rising star award” for best performer in 2015 Avaya Rising Star
- Won Samurai Award for excellent performance in Automation Project and quarterly release in Tracelink 2017
- Won young talent award for best employee in testing team in 2013
- Got appreciation for SP TSM 4.0 Project
- Got appreciation for EU module in Tracelink Web 3.4
